Letter from the President

What a turn out for the June Whataburger cruise-in thanks to Miracle Strip Corvette Club of Pensacola. Over thirty Corvettes filled the Whataburger parking lot on June 16th!

After a short lived cruise-in due to the heat and humidity, the Corvettes cruised to Marie Livingston's for some cool air, good food, more Corvette talk and socializing. We all left satisfied with the good food and service and made some new friends with the Miracle Strip Corvette Club!

On June 23rd fifteen Cruisin' Corvettes met up to cruise to Panacea for lunch at Hook Wreck Henry's. We sat outside on the deck over the water enjoying a nice breeze

and a lone guitarist serenading us. It wasn't long after lunch the ladies discovered jewelry being sold inside Hook Wrecks. After hanging out a while the cruisers headed back to Tallahassee for cold refreshing ice cream at Brusters. Russ you did a great job and thanks for setting up the curise!

July may be hotter than months past, but it isn't going to slow down Cruisin' Corvettes! Be sure to put on your calendar that on July 28th we are cruising to Greg and Jo Anna Gnapps in Perry for a cookout! Richard Mildenerger will be cooking up some fabulous pulled pork and chicken. We are asking that members bring a side dish and drinks. A sign up sheet will be passed around at the July meeting for members

Letter from President (Cont.)

The July meeting for members to sign up to bring side dishes.

August will heat up even more with a cookout at Shell Point. We'll cruise to Shell Point to a cookout hosted by Chip and Diney Perkins.

The summer is going by fast, but Cruisin' Corvettes is taking advantage of every opportunity to cruise and eat!

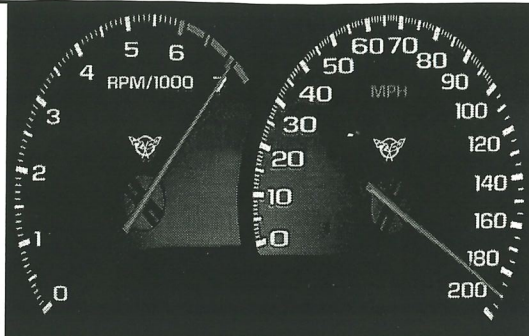

Congratulations to Lewis O'Connor who's Corvette was selected as Corvette of the Month for July.

Wishing everyone a safe and happy Fourth of July!

Beverly

Corvette of the Month

Club History

Cruisin' Corvettes of Tallahassee, as it is known today was established in 1997 with a small membership of 10 Corvettes.

Today the membership has grown to a total of over 100, mostly from Tallahassee but does include members from the South Georgia area.

Within the ranks of the membership, there is a wide

variety of Corvettes ranging from the first generation C1 that began in 1953 through the current generation, the C6.

With this variety of cars, the club is able to demonstrate how the style has changed and improved over the past years.

Today club members get together for lunch and dinner cruises, go to car shows together and raise funds

throughout the year for local charities as well as for the National Corvette Museum.

Members gather at the Whataburger on Thomasville road each third Saturday of the month to display their Corvettes and do some tire kicking and Corvette talking.
