“Our enthusiasm and passion for the Corvette has brought us together to learn, enjoy and fellowship with each other while enjoying this great American sports car.”

Good Morning All!

As we begin another exciting year, I would like, once again, to thank the officers who have volunteered their time to lead our club. These people give quite a lot of their time “behind the scenes” to insure our success. They have already begun working on upcoming events for us. If you have any suggestions for places you would like to visit or cruises we could take, please let us know. We are always open to suggestions!

We visited the Lighthouse Children’s Home this past month to deliver the Christmas gifts for the girls. The weather wasn’t very good so not too many of our club members brought out their cars, but we still had a blast. The girls were excited about their gifts and really enjoyed the pizza. If you weren’t able to attend, you missed some very beautiful music. Thanks again to Debby Russo for working so very hard to make this a special time for the girls.

Our annual Chili Cookoff – membership drive kickoff – is scheduled for this next Saturday, January 15th at Classic Motors, 4308 Aviation Avenue, Tallahassee (850) 575-0259. We will meet at 11:00 to get things together and should eat around 12:00. Bring your “special recipe” chili to share. You can also bring condiments to go along – sour cream, cheese – and maybe someone will make us some cornbread! I can hardly wait! Each member will get the chance to vote for their favorite chili. The winner will get a special prize! Since this is our membership drive, I have attached a membership application for those of you that might need to update your contact information, etc. Please complete this and turn it in to me so I can get the members’ information portion of our website updated. It’s time to get your dues paid! This Saturday is also our 3rd Saturday get-together at Beef’s at 5:00.

Our Sweetheart Party will be held this year on February 5, 2011 at 11:00. We are going to have it at Champion Chevrolet. Since our Italian theme was such a success last year, we have decided to do it again this year. Please bring your favorite Italian dish and a dessert. We have invited the Dothan and Jacksonville clubs to participate so we need to be prepared to feed a few extra people. As usual, the club will provide the paper goods, tea and ice. If you want something else to drink (non-alcoholic), please bring it. If you would like to volunteer to decorate for this party, please let me or Russ Sobczak know.

Our Annual Car Show is not too far away. Please remember that we need items for the goody bags and Silent Auction. The Silent Auction portion of the show raises the most amount of money for the girls at the Lighthouse. If you have items you have already collected and want to go ahead and turn them in, please contact Brenda Connell.

We have a new address for the club: P. O. Box 15762, Tallahassee, FL 32317. We decided to move the post office box to a place that is more centrally located and easier to get the mail picked up. You can still use the old address for the next couple of months but we will begin the forwarding process immediately. Give us a little bit of time to get the address changed on the web site and membership applications, but this should be completed shortly.

Check out the attached calendar of events that are upcoming – mark your calendars early! I will see you guys next Saturday!

If you are receiving this newsletter and attachments via the postal service and would like to receive them by e-mail, please drop me a note at amberdyess@windstream.net and I will add you to the e-mail list.

Bye for now –
