

Tallahassee, Florida

February 13, 2011

“Our enthusiasm and passion for the Corvette has brought us together to learn, enjoy and fellowship with each other while enjoying this great American sports car.”

Good Morning All!

Where to begin? Since our last newsletter, we have been quite busy –

The chili kickoff was such great fun. For those of you that missed this event, you missed tasting some really great chili recipes. The voting was very close but I barely inched out a victory by one vote. I would like to thank our host for this event, Classic Motors. Also, we need to thank Ed & Linda Huck for their generous donation of a remote control car for us to raffle off at this event. We raised about \$120 dollars from this. Congratulations go out to Reg Farrow for winning this prized car!

Our next event was the Sweetheart Party last weekend. We had a great turnout – the Dothan club brought 9 cars and the Jacksonville club had 1 person to attend. I will admit because of communication problems between us and their website, they got the invitation on short notice. Their president expressed an interest in participating next year. We want to thank our friends from the Dothan club for their participation. Everyone had a great time. I always look forward to their visits. For those of you that helped with the decorations and setup, etc – a great big THANK YOU! We need also to thank Champion Chevrolet for the use of their facilities. They went above and beyond by getting tables and chairs for our use. It was a general consensus by all that this was an excellent location for this event.

You will notice on the attached calendar that we have added an event April 9, 2011. We are going with the Dothan Club to visit the Seacrest Wolf Preserve in Chipley, FL. The Dothan Club is a contributor to this preserve and has visited with them on several occasions and has invited us to go with them for their next visit. We have not finalized the details for this gathering, but want to make sure you put this date on your calendar. We will be having a cookout for lunch with the Dothan Club – I will let you know what we will need to bring to contribute to this feast and all the specific details at a later date. In the meantime, you can visit the Wolf Preserve’s website at www.seacrestwolfpreserve.org.

Don’t forget about our upcoming car show. Please continue to collect items for our goody bags and silent auction. The largest portion of our proceeds are generated by the silent auction. Let’s try to make this the biggest yet for the Lighthouse Children’s Home. If you have not already registered for this event, please get your registration forms and checks in the mail.

Also, if you haven’t paid your 2011 dues, now is the time to do so. I will be purging the membership roster within the next couple of weeks. At that time, we will be posting the roster on our new website.

Don’t forget, if you want pictures of your cars to be posted on the website, please forward them to Lex Ballantyne at www.vettefanc6r@comcast.net and she will get them posted. We want to thank Lex for volunteering to coordinate this and help with our website. It really looks great!

If you are receiving this newsletter and attachments via the postal service and would like to receive them by e-mail, please drop me a note at amberdyess@windstream.net and I will add you to the e-mail list.

Bye for now –

Amber Dyess
