“Our enthusiasm and passion for the Corvette has brought us together to learn, enjoy and fellowship with each other while enjoying this great American sports car.”

Good Morning All!

I hope each of you and your families are doing well and – staying cool!!

Last Saturday, June 25th, we made a trip to Cairo, GA for a private viewing of Disney's Cars 2 movie. We had lunch at Mr. Chick and made a tour of Wayne Hadden's Antique Car Museum. For those of you that missed this event – you missed a real treat. We had a total of 68 people to participate in this event – 26 of those from the Dothan club. It was surely a sight to see all those beautiful Corvettes lined up and down Broad Street! It was a rare sight and enjoyed by all that passed by the theatre. I think some of them passed by more than once! The Cairo Messenger (our local weekly paper) published a really nice article about our visit. I will scan and send this to you guys so you can read it.

We have a couple of events coming up this month. First, we are scheduled to visit the girls at the Lighthouse Children's Home on July 23rd for a pizza party. At this gathering, we will be presenting them with a check for our car show proceeds. There is a change in the time for this event from my original posting. Brother Galloway has requested we move the time to 1:00. The girls have a wedding to attend that morning but they will be returning to the Lighthouse in time for lunch. We will be meeting at the Waffle House on Mahan and I-10 at 12:45 – so we can be at the Lighthouse by 1:00. The club will provide the pizza but we need to bring drinks and desserts.

Our second event this month will be on July 30th. We will be visiting the residence in Panacea owned by the company I work for to have a low country boil. We have done this one time before (the weather was really nasty) and we had a great time. This year we are hoping for better weather so we can enjoy the private pool. If you want to swim, please bring your suit and towels. If you want to fish off the dock, please bring your bait and tackle. The club will provide the necessary ingredients for the low country boil so we will need to bring drinks, snacks, desserts and side dishes. We will be meeting at the Publix on the corner of Crawfordville Highway and Capital Circle at 10:45 to leave by 11:00. Please bring chairs!

We have a trip scheduled for August 13th that you will not want to miss. We are planning to visit the Armament Museum in Fort Walton Beach and tour a winery in Defuniak Springs. This trip can be a “day trip” or you can make it an “overnighter”. We are making arrangements to have dinner and stay overnight at an old hotel in downtown Defuniak Springs – Save this date – further details will follow.

The events planning committee is still working on future events. If you have any suggestions or would like to plan an event, please let us know.

Bye for now –

Amber Dyess
Cruisin Corvettes
