

HAPPY HOLIDAY
NEWSLETTER December 2012

What I want for Christmas?

CCVETTS Member Notes

As a reminder, our monthly Cruisin' Corvettes newsletter can be a valuable asset for members to share information, but we need your participation in sending articles and photos of interest for publication.

Please forward any photos, news clips or future articles to TKHHVDH@Embarqmail.com.

We encourage the membership to submit the names of prospective new members or sponsors so we may e mail them a copy of our newsletter to let them know about the club and events they may attend or support.

***It is all about the CORVETTE,
America's Sports Car
Since 1953***

**Holiday Party
University Center Club FSU
Friday, December 14th, 6:00 p.m.**

Please don't forget to bring a wrapped household item "white elephant" to share in the gift exchange. This party is always a very fun event for the holidays. Holiday attire is welcome and our venue is a classic.

Further information contact Linda Huck at: (lindah513@hotmail.com) or Lynda Watson.

Brother Billy Hudson is doing such an amazing job with these girls to give them direction and a better chance to succeed in their lives. Make a donation if you can and support this program.

December Meeting

Our December 6, 2012 our club meeting was called to order at 7:00 p.m. by our President, Lee Chadbourne at Po' Boys, North Thomasville Road, Tallahassee. A great crowd was on hand for some exciting event news.

Road Trip 2013 National Corvette Museum ? Lee Chadbourne and Ed Huck are working on a super cruise next summer to the National Corvette Museum, it will be its 60th anniversary next year and would be a memorable time to go. If you are at all interested let one of these men know.

**Lighthouse
Children's Home
Lunch and Music
Saturday, December 15, 11:30 a.m.**

Debbie Russo has again coordinated Christmas gifts to be presented to the girls. Pizza will be provided by the club; those attending bring a dessert. We will meet at the Publix Vineyard by 11:15 on Mahan at I-10 to drive over for a lunch at 11:30 at the Home with Christmas music on Saturday, **December 15th**. Please bring your cars to take pictures as the girls really enjoy seeing and sitting in the cars! This really is a special program to support; we all have been greatly touched by the girls each time we go there.

Mecum Auction and NCRS in Kissimmee, January, 2013. More news to follow: the week long classic car auction and weekend of NCRS at Old Town. A great out of town trip with thousands of cars for sale and great corvettes being judged for NCRS.

Road Trip to the Moultrie Car Show and Swap Meet: This was really a nice sale this year. Weather was brisk but not too cold. Lots of corvettes included and a great deal of swap meet vendors. A great road trip and one of our members (?) even made his entrance by helicopter, aerial picture of show below.

Elections: Thank you to Mike Russo for coordinating elections for our 2013 year officers and Board. Elections were held at the meeting on December 6th at Po Boys Café. After much posturing and filibustering the slate was elected by an "almost" unanimous vote. No pay raise again this year and the Board will forfeit all accumulated leave and benefits.

Please see the 2013 Board Directory in this issue for names of those elected to serve this coming year.

**IN MEMORY:
Robert "BOB" Kauzlarich
Final Wave 11/15/2012**

Bob loved Corvettes, Lionel trains, and Harley cycles. He always enjoyed showing his red C5 convertible pulling his custom trailer and Red Harley Davidson to match.

A number of club members were present at Bob's memorial service and his corvette was parked in a space of honor at his service, front and center.

RENEWAL TIME for Memberships:

Please note it is time to renew your membership for the next year.

They have been set at \$30.00 single member; \$40.00 for family membership. This helps offset the cost of our club insurance that we pay around the first of next year.

Car Show 2103: March 23rd will be our Car Show next year 2013. Russ Sobczak; and Kenny Blankenship will be planning this event to be held at "Dale Earnhardt, Jr. Chevrolet". This is a main event for our club. We need volunteers, silent auction items; and a lot of energy to make this event successful.

So mark your calendars you won't want to miss this!

Also it was mentioned by our past president Beverly Blankenship if we could approach businesses before the end of the year they may make our silent auction items a priority at the first of the year. Keep this in mind as we close out the year.

Barbie Jordan stated Dale Earnhardt, Jr. Chevrolet is very excited about this year's car show and their inventory of corvettes has increased greatly.

Car Events List:

Chris Keena reminds all to keep an eye on our car events list. You never know what neat car event might post up a new and fun event. Our list is continually updated and posted on our website. BTW how was the chopper flight Chris?

Museum Ambassador Notes:

Distinguished Ambassador Ed Huck has another Corvette drawing! It is a 2013 Torch Red Coupe the drawing will be January 31st. See Ed for a \$10.00 ticket to win a new Corvette. Let's support our NCM!

While we are at peace and safe in the USA let us remember those brave men and women in our U.S. Armed Forces serving around the world this Holiday Season. We give a special corvette wave to all of them. Get home safe and sound as soon as possible.

"The price of freedom is eternal vigilance"

Thomas Jefferson
