NEWSLETTER SEPTEMBER 2012

IN LOVING MEMORY

OF THOSE HEROES OF SEPTEMBER 11

CORVETTE NOTES FYI

The September monthly meeting was called to order at 7:00 p.m. by our President, Lee Chadbourne at Po'Boys, (Village Square) in Tallahassee.

President Lee reviewed some possible dates in December for the Children's Lighthouse, (December 15) so we can give the girls our Christmas Gifts. Lee will be contacting Brother Billy for possible days they would be free for us to cruise out there. Lee will bring this information to the next meeting.

The Honey Lake Plantation Cruise to Greenville was such a huge success we are going there again for those of you that missed out, and heard how much fun we had! All agreed this would be a great fall cruise for all corvettes and corvette chase cars. The plantation encompasses some 4,700 acres, featuring its namesake Honey Lake, a spectacular 80-acre private lake that is one of the most gorgeous natural spring-fed lakes in all of North Florida and South Georgia. The plantation is located just north of US Highway 90 at 1290 Honey Lake Road • Greenville, Florida 32331 • Phone: 850-948-9911, visit their website for more info. This is a great location for corvette photo opps.

September "Honey Lake Brunch" Cruise: On Sunday September 16th we will meet at the Vineyard "Publix" at I-10 on Mahan at 10:00 a.m. we are going early to make the very nice "Sunday Brunch" and just tour this beautiful location and their grounds including a beautiful chapel on the lake. Brunch is served from 11:00 to 2:00 and Lee will need to take a head count so RSVP to Lee if you would like to attend this cruise.

October "Swamp Gravy Play" Cruise to Colquitt, GA: The "Swamp Gravy" date is October 20 at 2:00 pm, Swamp Gravy will be playing in Georgia again; David Wiggins is trying to put together a plan for a cruise, lunch, and the play. "Swamp Gravy," Georgia's Official Folk-Life Play, collects the stories of Miller County citizens and weaves them into inspiring, funny and touching plays suitable for all ages. Every October there is a new Swamp Gravy show. This is a very professional play and some of our members went last year. Cotton Hall Theater in Colquitt is simply loaded with history. This renovated cotton warehouse has been transformed into a 284 seat theater and houses the Storytelling Museum, as well as a gift shop and concession stand. Play tickets would be \$26.56 each, then lunch and travel. If interested in this event contact Lee or David Wiggins. For background Google "Swamp Gravy" online.

Ken Rouse updated members on some great news. The all new Vette TV show is in gear now and he was happy to report they have plans to start work with the SPEED network for 13 episodes on Corvettes!
