THANKS! Dr. Thom Hannah wanted to say a “BIG” thanks to everyone this year that helped to support our car show once again. A lot of hard work really goes into planning so Kenny and Russ you guys are the BEST! The weather could have been better but the friends that showed up made it worth it! Thank you ALL!!

Linda Huck: We will be having the University Center Club FSU Christmas Dinner this year December, Friday 13th. I know that it's a long way off but we always have to sign a contract and make the changes we need to make to stay within budget. We will be having a Buffet and to make a sweeter deal the price of our dinner tickets will be \$40.00 a person if you register and pay before November 15th, after the 15th the fee will be \$45.00 per person. Linda does a great job on this event so please make some time to be there to enjoy the fun!

EVENT IN THE MAKING: We have been given an opportunity to go see Rick Hendrick's private collection of cars, and possibly his NASCAR garage; have some lunch with a few more things worked in between! Lee will be working out the details with Kelly Walker a member from the Dothan group that was given the same invite, we decided to join forces and see what we can come up with a cruise later this year. This will be the trip of the year so stay posted to find out more detail when we get them!!!

PRESENTATION: Our club made a very special presentation through Lee to Greg and Lex Ballantyne for all their hard work and service for being our Website directors. Lee gave the couple a beautiful cut crystal bowl with the club logo etched into it, it is beautiful!! I think I saw a tear or two from Lex. Thank you guys!
